

WOODSTOCK HOSPITAL

Woodstock Hospital (WH) is dedicated to improving accessibility for all, in a barrier-free facility, that meets the standards outlined in the province's Accessibility for Ontarians with Disabilities Act. We are committed to providing services in an integrated, respectful and inclusive environment for all patients, staff, physicians and visitors.

WH has, and will continue to comply and evolve its policies and procedures in accordance with the Act, to ensure that we meet or exceed the standards for customer service, employment, information and communication, for a healthy, positive patient-care and work environment.

In fulfilling our mission to deliver compassionate patient care and high quality services we will continually strive to meet the individual and unique needs of all our patients, while respecting the independence and dignity of those with disabilities.
