

Recruitment & Retention

Recruitment and Retention

We strive to have first class qualified health care professionals and support staff. We also endeavour to be responsive to the health needs of our community. This is achieved by being a leader in working with others to improve the health of our community. Woodstock Hospital promotes compassionate, ethical, respectful patient care. We are proud of what we do and as a member of our progressive health care team, you will be proud too. To ensure the principles of our mission, vision and value statement are followed, Woodstock Hospital has an active Recruitment & Retention Team.
