### WH Receives National Recognition for Environmental Stewardship

Woodstock Hospital is the proud recipient of the Canadian College of Health Leaders' 2021 Energy and Environmental Stewardship Award. [Click here to learn more...](#)

### WH Accredited with Exemplary Standing

Once again, Woodstock Hospital has achieved Accreditation with Exemplary Standing by Accreditation Canada - the highest award issued through the hospital accreditation program. [Click here to learn more...](#)

### Assessment Centres to Stop International Travel Testing

Woodstock Hospital's COVID-19 Assessment Centre will stop International travel testing on Friday, January 15, 2021, based on changes to testing guidelines by the province of Ontario. [Click here to learn more...](#)

### Foundation Launches New Online 50/50 Raffle

The Woodstock Hospital Foundation is thrilled to launch an online 50/50 raffle in support of the Woodstock Hospital. [Click here to learn more...](#)

### New Strategic Plan

Woodstock Hospital is pleased to share its new Strategic Plan with the community. This plan will help guide organizational decision-making and initiatives over the next five years, and ensure we are all working together towards a bright future. [Click here to learn more...](#)

### Providing Cancer Care Close to Home

The London Regional Cancer Program (LRCP) at London Health Sciences Centre (LHSC) is launching a satellite medical oncology clinic at Woodstock Hospital beginning on July 9. The clinic will be overseen by Dr. Paul Stewart, medical oncologist at LHSC, and will run each Thursday. [Click here to learn more...](#)

### Gradual Reintroduction of Hospital Services

Woodstock Hospital is beginning to safely reintroduce surgeries, procedures and other services that were paused in anticipation of a potential surge of novel coronavirus (COVID-19) cases. The hospital's proposal for the reintroduction of services was developed in conjunction with regional hospitals, and based on criteria outlined by the Ministry of Health. [Click here to learn more...](#)

### Expanded Testing at COVID Assessment Centres

As of May 24, 2020, the Ministry of Health expanded COVID-19 testing guidelines to gain valuable information about the spread of the virus in different communities across the province, and in an effort to help protect vulnerable populations. [Click here to learn more...](#)
